WASHINGTON, D.C. 20301

January 29, 1980

Mr. Wang Bicheng  
Commander, Wuhan Military Region  
People's Republic of China  
Wushan, China

Dear Mr. Wang:

I want to thank you for the hospitality afforded me and my party during our visit to Wuhan on Thursday, January 10. The briefing and tour of the shipyard were most informative, interesting and thoroughly enjoyable.

On a personal note, I especially appreciated the delightful banquet and entertainment afterward. Both events will be long remembered by myself and all members of my party.

Mrs. Brown joins me in thanking you and your wife for the many courtesies and the warm hospitality shown us.

With warm personal regards,

Sincerely,

*Harold Brown*
